

The Association of Breast Clinicians

Family History Study Day

8th October
2021

**Registration
OPEN NOW!**

The Association of Breast Clinicians (ABC) is pleased to announce that we will be hosting a Family History Study Day at St Georges Hospital.

This will be an online course with a limited number of face to face places allocated on a first come first served basis (government health guidelines and Covid permitting).

CONTENT

Assessing Risk, Genetics and Genomics, Managing Risk, Case Studies and Establishing a Family History Clinic.

WHO IS THIS COURSE FOR?

Breast Clinicians, Breast Clinician Trainees, Breast Surgeons, Radiologists, Radiographers, Advanced Nurse Practitioners, GPs and all health care professionals interested in the Family History of Breast Cancer and its management.

PRE-COURSE REQUIRED LEARNING

Proof of completion of the e-Learning for Healthcare module "Taking and Drawing a Genetic Family History" will be required. Please log on to e-Learning for Healthcare to access the module:

<https://portal.e-lfh.org.uk/Component/Details/540869>

Registration will be managed by St Georges National Breast Education Centre (contact at St Georges: Irene.Davis@stgeorges.nhs.uk)

WHERE

Online via Teams or equivalent.
