

**NATIONAL BREAST EDUCATION CENTRE**

**MASTER CLASS FOR STAFF PREPARING FOR  
DUTY OF CANDOUR INTERVIEWS**

**DATE: MONDAY 31<sup>ST</sup> JANUARY 2022**

**ST GEORGE'S HOSPITAL - THE ROSE CENTRE SEMINAR  
ROOM**

**(For: Directors of Screening, Consultant Surgeons, Consultant Radiologists and Clinical Nurse Specialists)**

This Master Class is of value to clinical staff in Breast Imaging and Breast Screening. The format consists of small group work and practical clinical demonstrations with an experienced faculty.

There is the opportunity for delegates, if they wish, to participate in simulated clinical scenarios.

The day covers the principles of effective communication, how best to share difficult information in the context of Duty of Candour, and deal with the range of responses (including anger). The workshop aims to improve skill and confidence in difficult situations. A pre-requisite for attendance is to complete the following NHSBSP Toolkit that will support the study day: <https://portal.e-lfh.org.uk/>, then select breast screening duty of candour & disclosure of audit eLearning course (3 elements) in the search box.

**This course has been approved by the RCR for 5 Category 1 CPD credits**

**Cost: £225 Consultants**

**£195 All Clinicians**
