

Duty Of Candour Masterclass

9th June 2025

A pre-requisite for attendance is to complete the following NHSBSP Toolkit that will support the study day: <https://portal.e-lfh.org.uk/> then select breast screening duty of candour & disclosure of audit eLearning course (3 elements) in the search box.

This Master Class is designed for clinical staff involved in Breast Imaging. It features small-group activities and hands-on clinical demonstrations led by an experienced faculty. Participants will also have the option to engage in simulated clinical scenarios.

The program focuses on key principles of effective communication, particularly in the context of the Duty of Candour.
