

National Breast Imaging Academy Quality Improvement & Audit Symposium 2026

**Showcasing the achievements of
the breast imaging community**

When:

Friday 15th May 2026 9:30 – 12:30

Format:

Virtual, Microsoft Teams

Join us for the NBIA's Quality Improvement session to celebrate the progress being made across the breast imaging community. Abstracts are invited describing a quality improvement project or audit of breast imaging services for oral presentation.

Submissions from breast radiology fellows, breast credential learners, radiology specialty trainees, resident doctors and radiography learners are encouraged.

Submission deadline: 12 noon, Monday 9th March 2026

Portal may close early if a large number of submissions are received.

Submission outcomes confirmed: 12 noon, Monday 31st March 2026

Excellent diversity of audits

Insight into innovation in units

Excellent CPD

Motivated me to enhance service delivery and patient outcomes
