

National Breast Imaging Academy Mammography Update Study Day 2026

When:

Thursday 19th November 2026
09:00 – 16:00

Venue:

The Nest, Manchester
M23 9FT

The National Breast Imaging Academy has created an update study day tailored for all mammographers/radiographers, assistant practitioners, and mammography associates.

The course will cover health inequalities, neurodiversity and inclusivity. As well as the impact of screening improvement leads on breast screening uptake in Manchester, workforce models, CPD and accreditation, image assessment and volunteering overseas.

Early Bird Rate: £120

Until Friday 4th September 2026

Standard Rate: £150

Saturday 5th September 2026 onwards
